K2 is an integrated software asset management suite for automated IT asset auditing and software license management. K2 will show what's installed on your network and report details about its usage. It can also control access to licensed software and run detailed deployment and usage reports for your entire organization, or for specific departments. Sassafras Software has provided K2's license management technology since 1990 to some of the largest corporate, government, and educational enterprise networks throughout the world.

Sassafras Announces K2 User Group Meeting + K2 Training

Hanover, NH - July 12, 2006: Sassafras Software is pleased to confirm the details of a Sassafras K2 User Group meeting and K2 training session at the Hilton - Financial District in San Francisco on Friday afternoon, August 11.

Prompt registration is recommended as enrollment will be limited to 50 people.

Sassafras User Group Meeting and K2 6.1 Training

Friday, August 11, 2006
Noon to 4:30 pm
Hilton Hotel - Financial District
750 Kearney Street
San Francisco

Agenda*:

12:00 - 12:45 pm	Deli-style lunch buffet, introductions, group discussion
12:45 pm - 2:15 pm	K2 v6.1 Walk-through w/ Introduction to KeyReporter
2:15 pm - 2:30 pm	Refreshment break
2:30 pm - 3:00 pm	Q&A with follow-up examples
3:00 pm - 4:30 pm	K2 User Group Meeting w/ Two case-study presentations followed by open discussion

** The schedule has been arranged to accommodate participants who will still be at the Apple Computer's Worldwide Developer Conference earlier in the day.*

The 12:45 pm session will provide a detailed walk-through of K2 version 6.1, touching on each of the important new features with an introduction to KeyReporter - scheduled & web reports. After a refreshment break, we will host a Q&A session with opportunities to demonstrate configuration examples for software auditing and license management.

Two customer case-studies will be presented at the beginning of the 3:00 pm User Group Meeting. An open discussion will follow that will encourage collaboration among participants and feedback to Sassafras. Topic proposals for the User Group Meeting may be submitted in advance or at the meeting by participants.

Registration

There is a registration fee of \$85.00 to cover the meeting room expenses and the catered lunch. To register, complete the registration form at http://www.sassafras.com/pr/K2_UserGroupRegistration.pdf. You may pay by check or credit card in advance. The hotel has arranged for a limited number of overnight accommodations for \$129.00. If you wish to stay at the Hilton - Financial District, please let us know prior to 28-July so we can add your name to the rooming list.
